

Just Give Me A Reason

Underscore = sopranos

Bold = altos

Blue = men

Italics = everyone

Red = solo

Right from the start, you were a thief

You stole my heart

And I your willing victim

I let you see the parts of me

That weren't all that pretty

And with every touch you fixed them

Now you've been talking in your sleep, oh, oh

Things you never say to me, oh, oh

Tell me that you've had enough

Of our love, our love

[Chorus]

Just give me a reason

Just a little bit's enough

Just a second we're not broken just bent

And we can learn to love again (below on 2nd Ch only)

It's in the stars | *I never stopped*

It's been written in the scars on our hearts | *You're still...*

We're not broken just bent | *You're not broken...*

And we can learn to love again

I'm (Hoo, etc.) sorry I don't understand

Where all of this is coming from

I thought that we were fine (Oh, we had it all, hoo)

Your head is running wild again

My dear we still have everythin'

And it's all in your mind (Yeah, but this is happening)

You've been havin' real bad dreams, oh, oh

You used to lie so close to me, oh, oh

There's nothing more than empty sheets

Between our love, our love

Oh, our love, our love

Chorus 2 (lyrics on right)

(Hoo, etc.) Oh, tear ducts and rust I'll fix it for us

We're collecting dust, But our love's enough

You're holding it in You're pouring a drink

No nothing is as bad as it seems

We'll come clean

Chorus in unison

Chorus in parts - THAT we're not broken

Oh, we can learn to love again [x2]

Oh, oh, that we're not broken just bent

And we can learn to love again
