MCCHOIR 2017 Fee Structure

Melbourne Contemporary Choir charges on a per term upfront fee for attendance at our rehearsals, with the option of paying an annual fee at a 20% discount when paid up front in full by 16th February 2017. The fees help assist with hire of venue, staff, maintenance of the choir's music library and assist in fulfilling copyright obligations, assist in the production of concerts and events, and helps to maintain MCCHOIR assets. There are no refunds for rehearsals that are missed as we encourage members to try and make it to every rehearsal. In case of serious medical emergency a pro-rata refund of term fees may be arranged on a case by case basis. New members are entitled to one free rehearsal before deciding to continue with the choir. Additional family members within the same household are entitled to a 10% discount from Term fees (not valid with annual fee discount, after payment of one adult membership).

Fees are due and payable prior to the commencement of each term. If you join the choir mid term, your membership fees will be calculated on a pro-rata basis (rates are published on the web site www.mcchoir.com).
